BRINGING BACK THE GOLDEN ERA OF TRAVEL

YOUR PRE-TRAVEL CHECKLIST

To help you navigate the necessary requirements before you travel, we have put together this helpful checklist. All requirements must be satisfied to travel, so we recommend completing each item as soon as you can to ensure every element of your Luxury Gold vacation goes smoothly.

BOOK YOUR TRIP

Log into MyLuxuryGold and complete the Trip Registration for all guests travelling with you. This information is required to release your Travel Documents and will be used to contact you in the unlikely event of an emergency.

PURCHASE TRAVEL INSURANCE

We strongly recommend you obtain travel insurance covering all applicable dates of travel with Luxury Gold. You can purchase such a plan through Manulife Insurance or contact an insurance provider of your choice. For plan details and conditions, visit luxurygold.com/travel-insurance

CHECK CURRENT TRAVEL RESTRICTIONS

It is important, and your responsibility, to stay well-informed about requirements and guidelines for the countries you are travelling to and from. Some countries require proof of a negative COVID-19 test, regardless of vaccination status, before travel; some countries require specific types of tests. Due to the rapid change of travel restrictions, we recommend you check luxurygold.com/travel-requirements frequently and verify travel and entry requirements up until your departure. Airline requirements may vary for boarding, please validate directly with the airline prior to check-in.

CONFIRM YOUR VACCINE STATUS

All guests travelling with Luxury Gold through December 31, 2022 are required to be fully vaccinated against COVID-19, which may include a booster shot to keep it current and valid, depending on the travel destination. Children not eligible for vaccination and/or booster at the time of travel must provide a verifiable and negative Covid-19 test result, taken within 72 hours prior to the start of the tour (taking time zones into consideration) until further notice. For guests travelling with Luxury Gold from 1 January 2023, Covid-19 vaccinations and boosters are highly recommended, but no longer required.
